Dear Sir:

Re: Timothy Froese and George Laliberte
Law Society File No. 80-11818

You were informed by the Law Society of Saskatchewan in a letter dated March 27, 2012 that I would be investigating your complaint about Timothy Froese. I have read your complaint, which was well written, with interest.

Now enclosed is a copy of the reply to your complaint received from Timothy Froese, for your information. If you have any comments about his letter, I would be pleased to receive them before I continue with the investigation. If you could reply within 10 days of receipt of this letter, it would be appreciated.

Also I am interested in hearing exactly what you said when you telephoned the live cable television show on January 17, 2006. You referred in your complaint to three questions that you were given to ask, but you state that they were "as best as I can recall them". The questions quoted in your complaint were:

1. "Did you ever run for the Liberal Party?"
2. "Were you ever a pastor at North Park Church?"
3. "Were you ever charged with sexual assault of your secretary?"

In Mr. Vellacott's Affidavit before the Court, he states that the question asked by you was:

"Were you also removed from North Park Church because you were charged with sexual assault on your secretary?"

2.

The Statement of Defence filed on your behalf in paragraph 5 states that you "admit asking the Plaintiff the question set out...".

You can appreciate that in a case such as this the actual wording is very important.

Do you believe that Mr. Vellacott's version is correct? Do you know whether your original lawyer ever looked into and obtained the exact wording? Do you have any access to a recording of what was said? If possible I would like to hear a recording or read a transcript of the actual wording.

The Statement of Defence was prepared by your lawyer and filed with the Court. I enclose a copy. Did you ever see this document before? Did you agree to it?

Yours truly,

JOHN H.B. McINTOSH, Q.C.
